ENGLISH MANUSCRIPT

© Andronicos 2002, who for the record does **not** profess to being "Great" in any way or form and is quite honoured by the amount of global interest the 12-12-12 website and book is attracting.

- What if you were put in charge of the World tomorrow?
- How would you run the planet?
- Could you ensure the total eradication of extreme poverty and war, using peaceful means, by the year 2012?
- Would you make a better leader than the self proclaimed first "Cyberspace Global Ruler", Andronicos "The Great"?
- Are these the words of a wise philosopher or crazy mad man?
- Is this **THE** blueprint for World peace and security or recipe for disaster?
- **Are you wise** enough to break the **secret** code found in the 12-12-12 Book?

This book has been edited for UK politically correct expressions as at **28th March 2004**. This may not be the case in other English speaking countries.

About the Author

Andronicos and his two alter egos

In this website and throughout the 12-12-12 book there are 3 different Andronicos characters so as to give the reader an interesting and original plot for impact and enjoyment purposes. Before proceeding, please note that the real author does **not** profess to be "Great" and does **not** suffer from a mental illusion that he is actually in charge of the planet. He is an ordinary person like you and me, who is using the freedom of speech to put forward a number of ideas, some quite original, to make the World a better place to live in: now and in the future.

It maybe worth knowing, before writing the 12-12-12 book, (which is fully readable online on this website and downloadable free of charge in PDF format), the author had a short list of a few pseudonyms to use instead of the grand title Andronicos "The Great". These included: Brian the Benevolent, Michael the Magnificent, Stavros the Supreme, Jehoshophat the Judge and even Nathan the Nut. Unfortunately they didn't sound right, so the author chose to use his own name and risk the occasional raised eyebrow and joke at his expense. The name Andronicos actually means 'The man who conquers'.

After reading his work, he is open to suggestions to change the star character within 12-12-12, to Andronicos the Nut, if the consensus of public opinion suggests this should be the case.

The 3 characters within 12-12-12 will now be introduced:

Andronicos "The Great" is the author's first alter ego who is the self proclaimed Director of the Human Race and Manager Planet Earth. A very controversial self opinionated man who doesn't tolerate fools.

Andronicos "The Cynic" is his second alter ego who argues with **"The Great"** on many issues. A pessimist by nature; sarcastic, cynical and arrogant.

Andronicos The Mediator is the real Andronicos, author of the 12-12-12 book and website. He has no illusions to grandeur or greatness. As you will read within the website, he spends some effort attempting to mediate between his alter egos to stop them squabbling and sometimes acts as "The Great's" apologist.

The Real Andronicos (Author of 12-12-12)

Andronicos is a 45 year old British Greek Cypriot who was born in Africa and moved to England when he was 3 years old. He is an expert on the automation of Problem and Change Management at large Computer centres, and the setting up of global Helpdesks. He has lectured in many countries over the years and has been a guest speaker at various international computer conferences using his unorthodox style of humour and irreverence to liven up the usually nerdish subject matter.

Andronicos has invented a commercial software product to help people avoid misunderstandings and communicate more effectively by using the power of voice rather than typed text when sending emails. He is now responsible for an international initiative to provide this software free of charge, [to assist people with disabilities communicate more effectively](#). Using this technology he invented, Andronicos plans to undertake a PhD study in using audio stimulation techniques to assist in the [rehabilitation and treatment of comatose, unconscious and brain injured patients](#).

Andronicos has also patented a process and system to electronically harvest Corporate late payment surcharges, code named '[The Robin Hood System](#)', to benefit registered charities, NGOs, national tax authorities, and small businesses internationally. The concept is a non profit initiative.

Outside his business interests, Andronicos enjoys reading non-fiction books and although slightly dyslexic, likes to write satirical song lyrics, serious poetry and is a ghost humour writer. He is also an accredited Mediator and has undertaken training on how to be a TV Presenter.

Using his extensive experience in commercial 'Problem Management', Andronicos has written this internationally popular very unusual paradoxical website, to get people interested in proposing solutions to the major problems in the world and their local communities in general.

The real Andronicos, the author, does not profess to be "Great" and is quite honoured by the amount of interest the www.12-12-12.org website is attracting.

About the 12-12-12 Book

What would you do if you were in charge of the World? Could you help bring about Global Peace within a few years? What about hunger and extreme poverty - how would you eradicate these and other human evils by a certain date, which for arguments sake has been set to be December 12th 2012 (12/12/12)? Would you or your fellow classmates make a good Director of the Human Race and Manager Planet Earth? The author of the book entitled 12-12-12 has attempted to do just that. He collected, analysed and indexed every major problem in the World over an 87 day period in 2002 and offered his solution to resolving them, with a view to getting other people to talk about the controversial subjects of Religion and Politics.

The www.12-12-12.org website is predominantly the online version of this book, including useful external links and discussion topics.

Book Overview

- Where will the trillions of dollars needed to eradicate extreme poverty by December 12th 2012, come from?
- How will this stop ALL wars by December 12th 2012? (Show me ALL wars and national disputes in the World)
- How will some of the money be **spent** to make the above happen?
- Are **you** one of the 200,000 Rulers of the World? If so please read an important letter addressed to you, which you will find near the end of this book.
- How can my family and I help the 12-12-12 initiative, without it costing us one penny? (Refer to appendix F.)
- Show me **ALL** environmental problems in the World
- **Are you wise** enough to break the secret code found in section 11.60.30? Try doing so for 12 minutes **now** or find when the answer will be revealed.

Summary of Section 1: Eradication of Extreme Poverty by December 12th 2012

Andronicos "The Great" gives various directives relating to eradicating extreme poverty by **IOI** December 12th, 2012. He describes that the key to undertaking such a huge task is a Bond financed \$2 trillion investment fund which will create homes for the homeless, food for the hungry and jobs for the unemployed. This fund will be a cross between the Marshal Plan, a global charity, a multinational corporation and giant pension scheme. Andronicos "The Great" explains how he will get the money: from public corporations who will be forced to take part (either directly investing in the Bonds or by their provision of security to Banks to lend real money), institutional and State pension funds and wealthy nations. He further explains that the return on investment could be massive for future generations, even retiring the national debts of donor countries.

As far as boosting the global economy, such an unprecedented international scheme will boost global stock markets and global GDP and the proceeds from government taxation will increase. Wars are usually good for employment, productivity and economies. Andronicos "The Great" wants to start a war... against war and extreme poverty.

To assist in his directives to eliminate war by IOI December 12th, 2012, Andronicos "The Great" explains which countries will be allowed to benefit from the Bond and how they may qualify to do so in future.

Other directives relating to the eradication of extreme poverty covered in this section include the Banana Experiment, forcing certain **World Rulers** to fast once a month so they can experience the pangs of hunger personally and a new non religious custom to be adopted worldwide every Thursday involving a chipped bowl.

Summary of Section 2: Health and Social Issues

Andronicos "The Great" gives various directives relating to Health and Social issues which will impact the 12-12-12 initiative in some way or another. He explains his

policies towards "soft drugs" such as alcohol, tobacco and Marijuana and the measures he wants adopted for "hard drugs" such as Cocaine and Heroin. A rather controversial plan involving government agencies such as the DEA buying all the hard drugs direct from the farmers in certain parts of the World is described.

On the very emotional subject of abortion, Andronicos "The Great" has a third alternative to pro life and pro choice which is rather novel.

Various other matters are explored, directives given and solutions found to many of the problems faced relating to Health and Social issues in this section.

Summary of Section 3: Environmental Issues

Andronicos "The Great" sees environmental matters as key issues to resolve as part of the 12-12-12 initiative. He directs environmental protection initiatives from various agencies - some minor others major to protect the planet.

His novel approach to Asteroid destruction using the complete nuclear arsenals of India and Pakistan is explained. The key to his environmental plans and arguably the key to making the whole 12-12-12 initiative a success is Andronicos "The Great's" unprecedented historic project to turn the Sahara Desert into a huge food growing region that will indirectly provide virtual land to many millions of poor families across the World without families actually having to move to North Africa.

A major component of this section is a definitive list (3.500) of international environmental matters broken down on a country by country basis, with a directive by Andronicos "The Great" instructing all parties to begin the immediate resolution of these problems so that half will be permanently eliminated by December 12 2007.

Summary of Section 4: Education Issues

Andronicos "The Great" gives various directives relating to education matters, as he believes these are intrinsic in ensuring the 12-12-12 initiative is a success.

He covers general education issues, drugs, the teaching of morality, racism, unwanted pregnancies and a new annual bonfire celebration.

A directive to build a massive online library of mankind's knowledge in Alexandria, Egypt is described.

Summary of Section 5: Eradication of War, Tribal Misunderstandings, and Terrorism by December 12th 2012

Andronicos "The Great" provides his directives to eliminate war by IOI December 12th, 2012. He delegates the task of finding solutions to so called "minor" disputes with so called advanced countries. A list of every known international dispute is itemised (5.500).

Andronicos "The Great" initially concentrates on directives to getting immediate peace in Northern Ireland and Israel with solutions to help all the people in Cuba and Cyprus.

The Israeli/Palestinian solution is rather unique and is connected to the Sahara Desert reclamation project described in Section 3.

Summary of Section 6: Business Commerce and Economics Issues

Andronicos "The Great's" directives relating to business commerce and economics are described in some detail in this section, including a new World currency and the use of alternative money. He describes a patented system to harvest late payment surcharges known as the Robin Hood System. It will take money from corporations and subsidise charities and be a replacement to some aspects of personal taxation.

Andronicos "The Great" goes for the jugular and explains what he wants from the WTO, IMF, World Bank, credit reporting agencies, banks, auditors, unions, insurance companies and public corporations. He requests an asset list from every country in the World modelled on the UK model.

Summary of Section 7: Religious and Spiritual Issues

Andronicos "The Great's" very, very controversial opinions on religion and spirituality are grouped together in Section 7.

He tells what religious leaders must do to help achieve World peace. He introduces the **Secret Gospel of Thomas** and asks adherents to the major monotheist faiths to read each other's Holy Books. He issues a peaceful Fatwa against violent Muslim clerics, he asks the State of Israel to apologise for a historic miscarriage of justice, he asks the Catholic Church to sign an indulgence letter he has prepared for them and asks for an asset list from all religious organisations around the World.

Andronicos "The Great" describes himself as the World's first Monotheon and asks those who wish, to send an electronic prayer which will eventually be simultaneously delivered to Mecca and Jerusalem by children of Muslim, Jewish and Christian faiths.

Summary of Section 8: Justice Law and Order Issues

Andronicos "The Great" directs what needs to be done on the subject of justice, law and order. Crime, punishment, prisons, executions, extradition treaties, judges and sex offenders are covered.

He outlines immediate directives so as to eliminate many problems in this area, demands a UN global action force and an online database of every law and what it means.

Summary of Section 9: Human Rights Issues

Andronicos "The Great" is very much an advocate of Human Rights whether it be that of children, women, "gays", indigenous populations, slaves and even prostitutes. He explains what he wants done - immediately.

Summary of Section 10: Planetary Management Issues

Andronicos "The Great" has grouped his directives on managing the planet in this section. As an anti bureaucrat he describes what he wants from senior civil servants, mayors and taxation. He gives his directives to the UN and all 200,000 grade A, B, C and S list Rulers of the World who have the power to make the IOI 12-12-12 initiative happen.

Summary of Section 11: Miscellaneous matters

Andronicos "The Great" groups together various miscellaneous matters in this section - junk mail, space junk, animal rights, new global standards and even a new calendar to begin on December 22, 2012 are described.

Summary of Section 12: For a Happier Planet

Andronicos "The Great" describes and directs a number of initiatives to make Earth a happier planet. Zoos, aquariums, artificial coral reefs, summer camps for peace, the "Community Support Card" and the new Global Flag.

Let's begin.....

You may not be aware of the fact that Andronicos "The Great" is now in charge of the World. He has issued approximately 600 directives, broken down into the 12 groupings of World issues found below. His aim – The total eradication of extreme poverty and war, using peaceful means, by the year 2012. His nemesis, Andronicos "The Cynic" enjoys making fun of the grand plan.

Read what they have to say and perhaps consider utilising certain parts as a teaching aid by using the World Leaders Game and discussion topics from www.12-12-12.org. The discussion topics (and questions) can be found at the end of this book.

4.0 Education Issues

4.10 Teaching what is right and wrong

The 12-12-12 initiative and this book is not about personal morality issues. I leave that to families, Tribal cultures, individual experience, Tribal customs, spiritual beliefs and personal value judgements.

The teaching of the consensus of Tribal opinion of what is right and wrong must be taught at home and at school though. But that is not enough. I direct older children be taught inter-Tribal morality issues as part of history classes. Why it was wrong for so and so to have done such and such.

Educating teens in this way, yet keeping very controversial regional or religious issues outside of the school agenda, will help these older ones understand Tribal morality and Tribal ethics and their do's and don'ts.

4.20 Teaching morality and ethics

Here is a list of 12 circumstances which certain Tribes brand as immoral and even illegal.

Put in order of priority which is the most immoral "sin".

1. A man who has sex with 20 different women with the aim of finding the perfect long term relationship.
2. A man who goes to Las Vegas, gets married, divorced, married, divorced 60 times to 60 different women, but is always faithful to his "current" wife.
3. A man who has been faithfully married to one woman for 30 years, but screams verbal abuse at her every day for 25 years.
4. Two lesbians or two homosexuals in a faithful, caring, loving relationship who regularly help other less fortunate people.
5. A married heterosexual couple, the wife of whom has had 7 affairs spanning 30 years.
6. A married heterosexual couple, the husband of which is a closet bisexual and has had 7 gay affairs spanning 30 years.
7. A male bigamist with 4 wives, or a female bigamist with 4 husbands.
8. Littering
9. Speeding on a motorbike in front of a busy school road while drunk.
10. Genocide.
11. Ethnic cleansing and murder because the local religious cleric said it had to be done in God's name.
12. Not doing enough to eradicate poverty or war - if empowered to do so.

Thank you for doing this small self test. Now do it again, but this time pretend you are a devout Muslim, Christian, atheist or Buddhist.

12-12-12: Many tribes, one people one planet

I direct that all Tribal Sovereign States create a small list of common denominators, one where there is an unconditional agreement as to what is right and wrong.

The key to "Many Tribes: One People, One Planet" unity, is not to attempt to educate individual people on what is right and wrong. The key is to be able to agree to disagree whilst at the same time allowing those that share common value judgements to live together peacefully next to those that don't, yet allowing those who can't accept these value judgements to at best live in peace or at worst move.

If a man wants to marry 4 women - let him move to the Sovereign State of Saudi Arabia but he must follow their other laws. If a Muslim woman does not want to wear a veil (burka), let her move to the Sovereign State of Turkey as long as she follows their other laws.

By eradicating poverty and educating people, such freedom of migration will make the World safer and its people happier. Without compromising the beliefs or customs of regional minorities: Agree to disagree.

I disagree to agree to disagree if I am right.

Andronicos "the Cynic"

4.30 Racism and Religion: Schools

I wish to honour the city of Melilla, Morocco. Under the guidance of its Spanish Tribal authority, the mixed population of Muslims, Christians and Jews live with each other in peace. The children go to the same schools and learn to respect and enjoy each others religious festivals such as Ramadan, Navidad (Christmas) and Hanukkah. Let other city authorities learn from this excellent example.

I want all schools to teach the youngest pupils about the cultures of each others minority races, but not in the manner of a zoology lesson or merely the historic or religious technical aspects. Why do Sikhs wear turbans? Bring an unwrapped turban to school and get children to see how it's wrapped around the head of a respectful volunteer. Bring pastries or sweets to honour the culture of a special festival. Why is the Chinese New Year different? How is a giant paper dragon made? The children can help.

The best way local minority leaders can help children and cultures integrate, is to arrange for volunteers within their Tribal community to visit schools in the region to explain why their strange customs are quite normal.

I commend universities that self-publish guidelines on how students should respect each others religions on campus. I direct all large schools should have such guidelines in place.

Subject to local laws and copyright issues, I direct movies such as Amistad and Schindler's List be available to teachers to show and use in junior High School history classes all over the World.

I suggest "One flew over the cuckoo's nest" would be a more appropriate movie to watch and be indicative of His Greatness.

Andronicos "the Cynic"

4.40 RRR's: Reading writing and arithmetic

There are nearly 1 billion people worldwide who can't read or write. By December 12, 2012 I direct a 99% literacy rate be reached for basic reading, writing and arithmetic - throughout the World. For all children under 40 years of age.

Algebra, gardening and decorating is not the priority, the 3 R's are.

4.50 Teenage unwanted pregnancies: Electronic Baby Timeshare

A recent invention has helped young girls experience what it is like to look after a real newborn baby day and night. It is a computerised doll that wakes up throughout the night for virtual feeding and diaper (nappy) manager duties.

This is one type of cloning I do approve of. I direct the inventors slash the price, mass produce and enhance the doll so that it will be used on most girls aged 11-13 throughout the World.

The biggest natural contraceptive is abstinence. It can be induced in the minds of the young by various ways. Fear of being a mother is one of them.

For further information refer to www.12-12-12.org/4.50.

4.60 The new 24 hour drug channel on TV

I have already stated the directive to create a shocking 24 hr drugs channel in the drugs section of this book - 2.10. To emphasise the point, here is what I want covered:

Live police raids against dealers, how to stop using drugs, how to stop smoking or how to stop being an alcoholic and where to go for confidential local help for any substance misuse problem.

I want footage of drug babies, addicts eating out of dumpsters, gangrenous, infected syringe wounds, ER emergencies of accidental overdoses and what life is like in prison for dealers of hard drugs or those in jail for drug funding crime sprees. Shock the viewers, don't entertain or tickle morbid curiosity.

24 hrs a day with the worst footage being overnight. In between shocking documentary footage, I want success stories of those that gave up drugs and where to get help. To get a wider audience, play top pop music. Teens have pretty resilient stomachs compared to old cronies over 35, so make it shocking.

4.70 Online library of mankind's knowledge

Religious bigotry and intolerance destroyed the ancient repository of mankind's knowledge in Alexandria, Egypt. At one time it housed thousands of books from around the World. Today this will change. I direct a new online library of electronically searchable books, art exhibits and reference material be held on an array of computers housed somewhere in Alexandria.

Most reference books from all over the World with a circulation list of less than 1000 copies that are more than 50 years old should be placed online and eventually translated into many languages.

I further direct that this becomes the symbolic hub of centralised knowledge which the human race electronically will copy and take with it when permanent colonies on non-terrestrial habitats are established. I want all the huge repositories such as the Louvre, British Library and Smithsonian institute in this directive. I direct optional copyright protection and charging be permissible for copies that are physically printed off. Software is available to do this.

4.80 Foreign Languages

There are certain European Tribes whose high school children speak three languages.

I direct every child of 8 has mandatory lessons in a second language for at least 3 years. Make the World smaller. Less communication problems for the future and better opportunities in life await those who speak more than 1 language.

4.90 High School and University students: 12-12-12 Initiative Etiquette

I want the following process followed when creating a school "Community Support Club" to help the local community and in creating the "12-12-12 initiative ideas workshop".

High Schools Community Support Officer Elections

- Every pupil will get one vote to elect 9 students into office for a minimum of 1 term and a maximum of 1 year.
- The 9 elected students will invite 3 teachers into an "upper house" that will have power of veto and provide policy decisions.
- The 3 teachers will invite 3 further unelected students to serve in the lower house, making a total of 12 "12-12-12 school Community Support officers".
- All of the students will act as "Community Support officer" on a rotation basis unless they deem otherwise.

All ideas, research and communications to www.12-12-12.org on behalf of the school is to be filtered by the lower house. Work as teams, whether it be to help in the community or to help the 12-12-12 initiative. Liaise with local social services and newspapers for those who need help. Wherever I have written the expression "look for guidance in local newspapers" in this book - it's you that will be referenced in some of these free community advertisements in liaison with other Community Support clubs in the region.

Universities

Use your initiative. For goodness sake, you may end up being a World Ruler one day. Prove it. The brightest ones who hope to become one can help the aforementioned schools liaise with the community and of course communicating with www.12-12-12.org.

All of you: However well intentioned, your primary task in school is to study and pass your exams. Don't forget that.

4.100 High flier international student exchange

I want this encouraged. Not only between culturally similar Tribes - but diverse ones. Refer to www.12-12-12.org/4.100 for more details.

4.110 High school graduate sabbatical in poor countries

I commend non-profit organisations who with parental approval, send school students to poor African Tribes for a few months to help the local population as Development Instructors. Don't let the War Bond effort stop such ideas being copied by other organisations. Refer to www.12-12-12.org/4.110.

4.120 Surplus book distribution

I direct surplus books from "sales" be distributed to school libraries. Every few months a ship should be sent to a developing Tribe - containing school books of the same language.

4.130 Permanent inhumanity exhibitions throughout the World

I direct a permanent museum exhibit be created in every national museum to publicly display the horrors of the Holocaust, atomic bombs and slavery. It will serve as a warning for Earth's future children why such things must never be allowed to happen again.

4.140 The teaching of Evolution vs. Creation

So many scientists talk about evolution as a fact of life people are beginning to believe them! Well it's not.

Why is it that the evolutionary missing link is still missing? Why is it that every single allegedly part human fossil ever found, couldn't even fill the back of a lorry?

On September 11th, 1999 the exclusive front page headline in the UK Daily Express was "The New Genesis". The subject on how scientists are on the verge of creating new species and life forms from scratch. If the human race can do this tomorrow, after only 100 years of technology, why can't children be taught the possibility that a supreme being had the technology first?

12-12-12: Many tribes, one people one planet

Without bringing religious topics or the 7 creative days (epochs) as being literal, into biology, chemistry or physics, I direct the word "evolution" should sometimes be interspersed with the words "many people believe that so and so happened because it was influenced or created by a "Supreme Being", "Creator" or "God"."

4.150 Minimum mandatory 12 years of primary education (until >100)

I direct an initial minimum mandatory 12 years of full time education for every child on the planet. (This will eventually become a much longer stint when the human race averages life spans of several hundred years or more. I foresee boys and girls will not be intellectually or socially mature enough to get their first part-time job before the age of 40, civil servants 60 and politicians 80 in future.)

I direct illiterate or uneducated War Bond employees be given a crash course in secular education. I want 12 years crammed into the equivalent of one day a week for 3 years. Children of War Bond employees will be in normal village type schools of course.

Effective 2003 I direct all schools throughout the World instil social humanist values in the hearts of their pupils. All teenage students that belong to the equivalent of High Schools are directed to use their initiative in providing help and support to those less fortunate within their community. (Refer to previous section 4.90)

4.160 Global Internet availability for schools

I direct every school of more than 100 pupils in "wealthy" Sovereign Tribal regions to be internet enabled by December 12, 2003 and connected to each other re the 12-12-12 initiative.

I will provide further instructions and a methodology to acquire unique IDs soon. By December 12, 2012 every school on my planet is directed to be connected to the internet.

4.170 School Meditation and Stress Relief Therapies

A recent experiment known as "The Discovery Project" undertaken in Portsmouth, England has shown that primary school children as young as six respond very well to meditation and stress relief therapy. It is supposed to increase emotional intelligence, tackle anger and battle depression. The latter could prove useful to teachers.

I am totally against the concept of mass hypnosis, religious indoctrination or brain washing, but am very interested in the results of the studies currently taking place. As Director of the Human Race and Manager Planet Earth, I want the system adopted in every one of my schools worldwide if the study proves successful.

Get on www.12-12-12.org/4.170 for further information on how to adopt these practices in your school.

His Greatness is obviously also a paediatrician amongst His many gifts.

Andronicos "the Cynic"

4.180 The new bonfire celebration: an annual burning of toys of war and violence

Effective on the first Saturday night after November 15th, 2012 and annually thereafter (using the new calendar) I direct a new celebration be instigated throughout the World.

On that night, war toys such as guns and swords will be burned in a family or community barbecue bonfire. Future generations of children will be told what this strange thing called war actually was.

For 12 days prior to every annual bonfire celebration it will be customary to allow children to have toy guns and toy swords for them to play war games with.

Finally, for the Sovereign Tribe of the United Kingdom, I direct Guy Fawkes be finally laid to rest on November 5th, 2012. From this date it will no longer be customary or socially acceptable for children to beg "Euros for the Guy" or to burn his effigy.

Does anyone have any ideas for a suitable Andronicos "The Great" effigy?
Andronicos "the Cynic"

Who Rules the World?

Andronicos "The Great" insisted on having the last word in this book. He decided to finish off by writing the open letter you can read below. A TV documentary is being produced following his future exploits!

There are 6.3 billion + people alive on earth today. Of these there are only approximately **200,000** powerful individuals who collectively **rule** the World. Within section 10.100 of the 12-12-12 book, they have been graded into four "power" categories: Grade A, B, C and S, with twelve "Influence" sub categories of 1-12.

If they all worked together with our help, these individuals possess the power, influence and/or wealth to bring about true Global Peace and the **total** eradication of absolute poverty by December 12th 2012.

Three questions spring to mind: Why don't they? What can we **all** do to help? And if you are one of these 200,000 collective World rulers, what is being asked of you?

The letter below will be sent for comment to all public companies in the World, using various means at the appropriate time. It is the first of several. This first letter is both positive and polite.

Dear CEO or key Board Member of **every** Public Company in the World that fits my criteria for selection as described in section 1.10.130,

Congratulations are in order. You are one of just a few thousand people that will make history. Your names will be honoured forever, wherever and whenever the Human Race eventually colonises other planets. You hold the key to Global Peace and the total and absolute end to extreme poverty worldwide. Such an historic achievement with your help will never ever be forgotten.

I have three requests for you and your Board of Directors to undertake. **Firstly** listen to my speech which was given with you in mind. It can be heard via the www.12-12-12.org website. **Secondly** as a sign of support to the billions who go to bed hungry every night, please follow my directives on fasting on the 12th of every month as described in section 1.100.10. **Thirdly**, when asked by various messengers I will use to send this letter to you and your Board, or if I turn up with a film crew, I want you to answer one simple question within 12 working days, by emailing via a temporary corporate email ID to brulers@12-12-12.org. Your response will be made public on the www.12-12-12.org website and other websites.

The question is as follows:

Would you recommend an investment in acquiring an asset for your organisation, using 10% of your global profits for 10 years to buy (or guarantee to fund by way of security) the type of Bond as described in section 1 of the 12-12-12 book and website, if most other public companies in the World agreed to do so and millions of volunteers each offered free labour for at least 90 days to achieve the key goals as described in a business plan by a top 12 audit or consulting firm?

Your answer should be (1) 'Yes', (2) 'No, because...!' or (3) 'Yes, as long as there are conditions (which you should itemise in your open communication to me)'. No response at all, will be counted as a 'No' unless I am informed otherwise.

Not only will several billion people thank you for helping, but so will your shareholders who will benefit from the new markets the 12-12-12 initiative will create for your goods and services. More importantly, it will act as a catalyst for World Peace and Security. But most importantly, your future descendants, who in millions of years across the Cosmos could be more abundant than there are grains of sand on all the beaches in the World, will look back at this time, perhaps literally, and be **proud** at last to be called Human Beings and be privileged to be related to you personally.

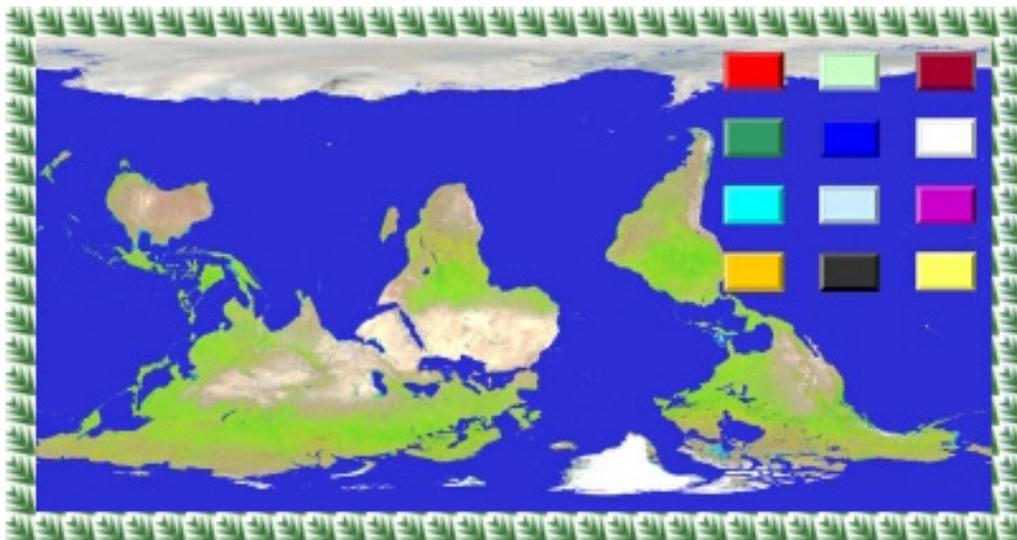

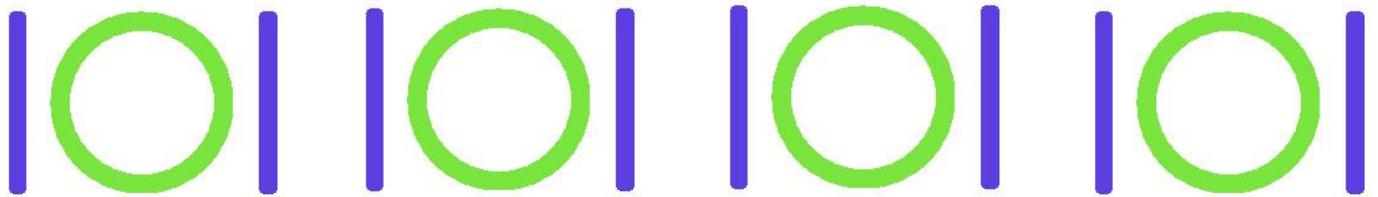

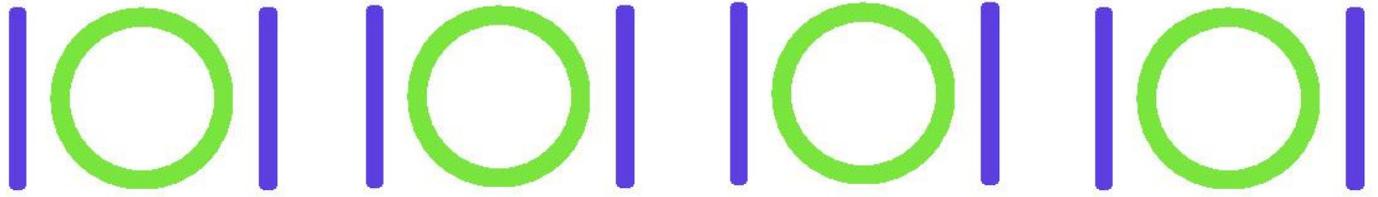

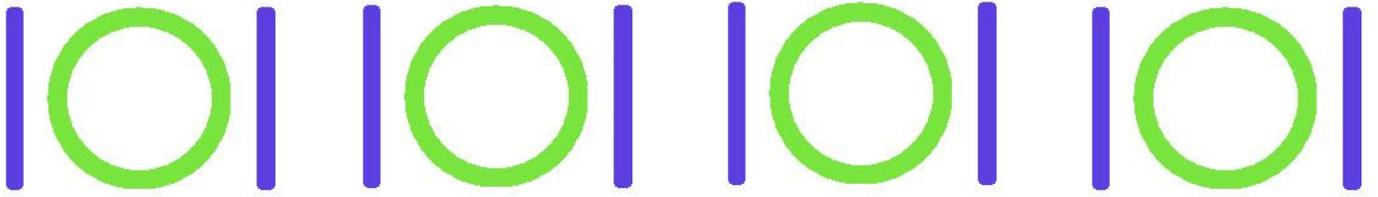

I commend many of you for the considerable amount of time and money that has been spent helping good causes by way of charitable donations. I am not asking for charity, I am asking for a one off investment from people such as yourself, who manages certain corporations or has the power and influence to effect policy decisions within G20 Governments.

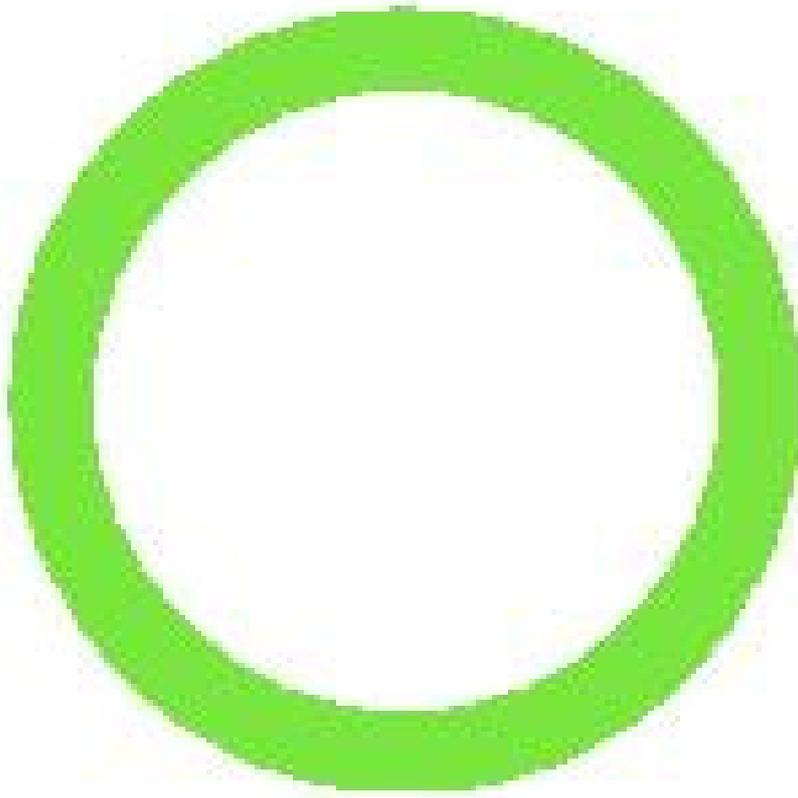

Billions of people await your response. Think from within before replying to me and bear in mind the reputation of your highly prized brand name can be enhanced substantially, not only in the short term, but for as long as the Human Race exists.

Yours truly

Z
